NMRC INSTRUCTION 6700.1

From: Officer-in-Charge

Subj: PREVENTIVE MAINTENANCE OF MEDICAL EQUIPMENT

Ref: (a) NAVMED P-5132

1. Purpose: To provide guidance for the operation, maintenance and repair of medical equipment.
2. Scope: The preventive maintenance program will include all medical laboratory equipment at NMRC, Lima, Peru.
3. Responsibility. The Biomedical Repair Technician (BMET) will be responsible for the overall preventive maintenance of all laboratory medical equipment based upon NAVMEDLOGCOM's established class risk assessment preventive maintenance program. Provide all necessary training on proper operation and operators' maintenance of equipment to NMRC personnel. All department heads will ensure that equipment is made readily available for routine preventive maintenance and repair is performed.
4. Performance. Per reference (a) comprehensive medical equipment preventive maintenance program will be conducted as required.

J. P. BURANS
